

VIDEO CLIPS AVAILABLE FOR COMPETITORS & TEAMS

The enclosed document presents the communication tools which will be used for the Hungaroring Classic 2019. This information is intended for all parties wishing to communicate before, during and after the event, such as: competitors, partners, journalists, brands, communication agencies, and production companies.

In addition, provides information of different VIDEO services that the organization could offer to the participants during the racing week of the

IBN International
Broadcast
Network

1. TV PRODUCTION

The organization will provide 'state of the art' Live and Delay TV Production and it is planned that 18 hours of live streaming in the National TV channel, as well as many other TV channels worldwide will give a significant exposure to the event, including the series and its drivers.

2. VIDEO SALES

In addition to the official broadcast, we could provide images and edited video clips for competitors who are interested to publish on their SOCIAL MEDIA or their OWN use such as: (sponsors, supporters, families or friends).

3. DURATION OF DIFFERENT CLIPS:

10 minutes from the actual race category, include one interview from the driver. Total duration of the video clip for each driver will be approximately 10 minutes.

- ***Cost for this clip will be 300 euros.***

30 minutes on board camera footage from specific cars. We can install a small SONY HD camera in your car and give you a hard disk with the footage.

- ***Cost including camera installation and footage will be 500 euros for each car and each race.***

24 minutes summary for each race category best of images from the beginning and the end of each race, with ground cameras, "Beauty Shot" and aerial plans, include interviews from the driver.

- ***Cost including camera installation and footage will be 500 euros for each car and each race.***
